THE DIVE IS UNDER ATTACK BY THE EARTHBORN, AND TYPHON IS DETERMINED TO END ARIC'S LIFE!

It's hide or fight for the PunX of the Dive when the Earthborn attack, and the leader is set on killing Aric for daring to confront him. The cosmic being inside Aric's armor, Shanhara, is paralyzed after Typhon's horrific field vision, with the extent of the damage unknown!

For two thousand years, Aric has been a warrior. From righteous Visigoth to cosmic knight-errant, the ethereal being residing within Aric's stellar armor inspired his quest for honor. Shanhara has aided Aric for millenia. But with the armor unresponsive, Aric might have to fend for himself once more. Steel yourself for the climactic final chapter of Steve Orlando and Guillermo Fajardo's opening arc on THE X-O MANOWAR!
